Dear Sir:

This paper is submitted in response to the Office Communications mailed from the U.S. Patent and Trademark Office on January 30, 2007 and July 16, 2007 in connection with the above-captioned patent application. Applicants respectively request reconsideration of the subject application in view of the following claim amendments and remarks.

Amendments to the claims appear on page 2 of this paper.

Remarks begin on page 17 of this paper.
